### Disclaimer

By default, our products are created to fall within the boundaries of Dutch regulations. Even though the label on the product may contain a language other than Dutch, this does not mean that it is legal to sell in any other country unless particularly indicated so in written. Regulations - both regarding ingredients as well as label prescriptions - in particular concerning food supplements, may deviate from country to country. Even if a product meets all requirements of a third country an obligated notifying procedure may exist. For all botanicals with a health claim listed in this catalogue applies that the evidence for these health effects is still being assessed in the European authorization procedure.

**NPN** - Cobeco Pharma is a member of the Dutch trade organisation Natuur & gezondheidsproducten Nederland (NPN). This organisation and its affiliates stand for the promotion of quality and safety in the field of food supplements.

**HACCP** - Cobeco Pharma pursues a quality assurance policy based on the Hazard Analysis of Critical Control Points (HACCP). The entire production process is being monitored to detect potential food safety dangers by the HACCP system.

**ISO13485** - ISO13485 is a standard for medical devices and a quality management system in accordance to which Cobeco Pharma operates and produces.

**Vegan** - As a market player and part of the cosmetic world, it is important to push our brands towards healthy manufacturing processes and convert them into harmless products. Our Vegan brands encourage people to celebrate a greener and sustainable lifestyle with eco-friendly choices, to provide support towards the larger ecological causes.

**NCV** - Cobeco Pharma is a member of the Dutch Cosmetics Association called Nederlandse Cosmetica Vereniging (NCV). The NCV is the official trade organization of manufacturers and importers of cosmetics.

**BDIH** - The Natural Product Standard is based on the experience of BDIH concerning the association standard for certified natural cosmetics, however, it does explicitly not refer to cosmetic products, in order to avoid confusions with the existing standard for natural cosmetics of BDIH.

**Sedex** - Cobeco Pharma is a member of SEDEX, a non-profit membership organisation dedicated to create improvement in responsible and ethical business practices in global supply chains.

**GMP** - Products have to be produced in accordance to strict requirements. These requirements are called the 'Good Manufacturing Practice' (GMP). Cobeco produces in accordance to the guidelines of GMP. Our staff is especially being trained to produce our products. Because of that, there have been a quality control system and a special designed manufactory.

*"Cobeco Pharma produces and distributes quality products that give life a little more excitement, which improve quality of life and support a modern and healthy lifestyle"*
